RE: *In re: Hypodermic Products Antitrust Litigation*, No. 05-1602 –
Direct Purchaser Cases

Dear Judge Hammer:

I write on behalf of the Distributor Plaintiffs seeking a one week extension—until October 4, 2012—to file our reply in further support of our motion for preliminary approval of the proposed settlement with Becton Dickinson & Co. Pursuant to Case Management Order No. 26 that reply is due on September 27, 2012 which is the day after the religious holiday of Yom Kippur, the observance of which by a number of Distributor Plaintiffs' counsel, creates a difficulty in completing and filing the necessary documents within the time provided in the order. I represent to Your Honor that the Healthcare Plaintiffs have graciously agreed not to oppose that requested extension.

Thus, we respectfully request that Your Honor so order this letter permitting the extension requested for the reason stated.

Naturally, should the Court have any questions with respect to this matter, you should feel free to communicate with any counsel.

Respectfully yours,

/s/ Peter S. Pearlman
